## 1. Aims and Introduction

- 1.1 At Bell Lane Primary School, we are aware that pupils may be bullied in any school or setting, and recognise that preventing, raising awareness and consistently responding to any cases of bullying should be a priority to ensure the safety and well-being of our pupils.
- 1.2 We aim for Bell Lane Primary School and Children's Centre to be a place where pupils and staff feel happy, secure and confident in all aspects of school life.
  - To ensure everyone knows what is meant by bullying and how it affects lives.
  - To create an environment where all individuals can participate in the life of the school.
  - To support and guide pupils and staff to enable them to feel confident to manage conflict.
  - To ensure parents are aware of the school policy and feel confident about procedures to be followed if they suspect their child is being bullied.
  - To ensure pupils know what to do if they feel they are being bullied
- 1.3 Our aim is to create and provide a happy, secure and safe environment for our Bell Lane community.
  - We encourage our pupils and staff to be caring and respectful to each other.
  - We support our pupils in developing the skills to become reflective about their behaviour and the impact it has on others.
  - The language we use is polite, inclusive and respectful of our diverse backgrounds.
- 1.4 This policy was written in consultation with staff and the school council. The pupil voice was central in writing this policy. The policy was shared with the governing body, and families were also consulted.

## 2. Framework, guidance and links to other policies

- 2.1 In line with the Equality Act 2010, it is essential that our school:
- Eliminates unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act;
  - Advances equality of opportunity between people who share a protected characteristic and people who do not share it; and
  - Fosters good relations between people who share a protected characteristic and people who do not share it.
- 2.2 At Bell Lane Primary School, we are committed to safeguarding and promoting the welfare of pupils and young people and expect all staff and volunteers to share this commitment. Under the Children Act 1989, a bullying incident should be addressed as a child protection concern when there is 'reasonable cause to suspect that a pupil is suffering, or is likely to suffer, significant harm'.
- 2.3 This policy is closely linked to our:
- Behaviour Policy
  - Child Protection and Safeguarding Policy
  - School Code of Conduct
  - School's Vision, Aims and Values

## 3. Definitions

### What is bullying?

- 3.1 'Bullying is when someone deliberately hurts another or makes them feel unhappy. Bullying behaviour will be repeated and be difficult to defend against.'

Several Times and On Purpose = STOP

- 3.2 As a staff we feel that bullying is when a child, group of children or an **adult** persistently manipulates and/or intimidates, either verbally or physically another child or group of children. An individual who watches as an onlooker and who does not act in a positive way to stop the bullying is condoning the behaviour. Although the onlooker may not be fully implicated in the action, as a school we feel that it is unacceptable. We will work to ensure that safety of the person hurt physically or mentally and do our best to support improved behaviour from the person displaying bullying behaviour.
- 3.3 The law empowers the Headteacher of a school to regulate the behaviour of pupils when they are off the school site (which is particularly pertinent to regulatory cyber bullying) and empowers members of the school staff to impose disciplinary penalties for inappropriate behaviour.

## Types of bullying

## 4. Preventing Bullying

- 4.1 The aim of our school anti bullying approach and interventions will be to:
- Prevent, de-escalate and/or stop any continuation of harmful behaviour
  - Respond to bullying incidents in a reasonable proportionate and committed way
  - Safeguard the student who has experienced bullying and ensure pupils are supported
- 4.2 All staff will be alert to the signs of bullying and will act promptly and firmly and follow the procedures in accordance with our policy.
- 4.3 During a student's school career at Bell Lane we will encourage our pupils to develop the self-discipline necessary to maintain acceptable levels of behaviour towards the community. They will be encouraged to accept responsibility for their

actions and be aware of the consequences of their behaviour. Pupils must not be afraid to report problems and have the confidence that something positive will be done.

- 4.4 Assemblies, PCSHE and drama will provide the opportunity for pupils to explore their feelings and give them the self-confidence to develop their assertiveness skills. Through restorative circles we give pupils regular opportunities to reflect on their feelings. This has developed a culture of freedom and confidence to talk about emotions (in the circle or privately) and provides opportunities for pupils to become more reflective of their mental health and, develop strategies to manage it.

## **Anti-bullying Statement**

- 4.5 Our anti-bullying statement is clearly displayed around the school, along with details of organisations and helpline numbers. All staff and pupils are made aware of the school's policy and procedures for dealing with bullying.
- 4.6 Our restorative approach, combined with cooperative activities integrated into classroom practice, explores issues and controversies by considering different points of view; promoting tolerance of others and a willingness to listen; building trust in those of the opposite gender and from different ethnic groups; different religious beliefs and disabilities to support integration into the peer group.

## **5. Procedures for dealing with incidents of bullying**

- 5.1 A member of staff will collect details using the school's 'Witness Statement' and ask the following questions to both parties:
- What happened?
  - What were you thinking at the time?
  - What are you feeling at the moment?
  - What do you think needs to be done to repair the harm?
  - Who do you think has been affected by the actions?
- 5.2 The member of staff involved will discuss with the appropriate Phase Leader and teacher to identify the appropriate way forward.
- 5.3 For a "Low level" incident the member of staff will work with the harmer and the harmed to resolve the issue.
- 5.4 For a "Higher level" incident staff will follow the procedure as identified on the flow chart at Appendix 1.
- 5.5 The member of staff will complete the referrals document and pass to the appropriate Phase Leader or Senior Leader.
